**Decision of the Authority**  
**Pertaining to Revocation of Generation Licence of Green Electric**  
**(Private) Limited**

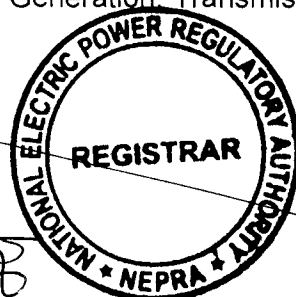

The Authority granted a Generation Licence No.IGSPL/20/2008 dated September 09, 2008 to Green Electric (Private) Limited (GEPL) for its 188 MW Thermal located at 4.5 Km West of Dadu City near Deh Pipri District Dadu in the Province of Sindh.

(2). In terms of Article-5 of the above mentioned Generation Licence, GEPL was made obligatory to pay Annual Licence Fee as stipulated in National Electric Power Regulatory Authority (Fee) Rules, 2002 ("the Fee Rules"). In view of the said, GEPL was directed to deposit the Annual Licence Fee for the FY 2011-12 and FY 2012-13. However, GEPL did not deposit the same despite a series of reminders. The amount of Annual Licence Fee was accumulated to Rs.3,629,989/-

(3). In view of the persistent failure of GEPL in clearing its dues, the Authority in its Regulatory Meeting (RM-12-633) held on November 13, 2012 decided to initiate proceedings against GEPL for recovery of required amount pending on account of Annual Licence Fee as stipulated in the National Electric Power Regulatory Authority (Fines) Rules, 2002 ("the Fine Rules"). Accordingly, an explanation was issued to GEPL under Rule 4(2) of the Fine Rules. However, GEPL did not respond to the said explanation despite publication of a public notice in the leading Newspapers ("The Nation" and "Daily Express") dated March 07, 2013.

(4). The Authority in its Regulatory Meeting (RM-13-191) dated May 23, 2013 considered the matter and decided to issue a Show Cause Notice (SCN) in terms of Rule 4(8) of the Fine Rules to GEPL. Accordingly, the SCN was served on July 19, 2013 but GEPL did not respond to the same. The Authority in its Regulatory Meeting (RM-13-528) dated September 25, 2013 considered the issue and decided to impose a fine of Rs. 100,000/- on GEPL on account of default of payment of Annual Licence Fee in addition to outstanding Annual Licence Rs.3,629,989/-

(5). In view of the above, the Authority also decided to initiate proceedings under Section 28 of the Regulation of Generation, Transmission and Distribution of Electric

Power Act, 1997 ("the NEPRA Act") for revocation of Generation Licence of GEPL. Accordingly, an SCN was issued to GEPL on January 27, 2014 as to why its Generation Licence should not be revoked. However, the said SCN returned undelivered.

(6). The Authority considered the matter in its Regulatory Meeting (RM-14-353) dated June 10, 2014 and decided to revoke the Generation Licence of GEPL. Further, the Authority has also decided to initiate proceedings for recovery of outstanding Licence Fee for the Financial Year 2013-14, under the Fine Rules.
