Dear Sir,

Please find enclosed herewith the subject Decision of the Authority along with Annex-AI, AII, AIII, AIV & AV (13 pages).

2. The subject Decision of the Authority is being intimated to the Federal Government for the purpose of notification in the official Gazette pursuant to Section 31 (4) of the Regulation of Generation, Transmission and Distribution of Electric Power Act (XL of 1997) and Rule 16(11) of the National Electric Power Regulatory Authority Tariff (Standards and Procedure) Rules, 1998.

**DECISION OF THE AUTHORITY IN THE MATTER OF REQUEST FOR RECONSIDERATION  
REGARDING DECISIONS OF THE AUTHORITY FOR QUARTERLY ADJUSTMENTS OF TARIFF FOR  
K-ELECTRIC LIMITED (FORMERLY KARACHI ELECTRIC SUPPLY COMPANY LIMITED) FOR THE  
QUARTERS ENDED DECEMBER 2013, MARCH 2014, JUNE 2014 AND SEPTEMBER 2014**

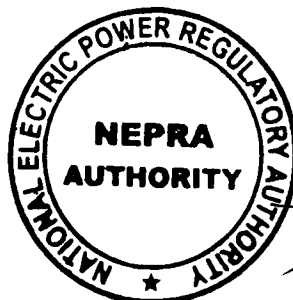

1. Pursuant to section 31(4) of the Regulation of Generation, Transmission and Distribution of Electric Power Act, 1997 and in accordance with the determination of the Authority in case No. NEPRA/TRF-133/KESC-2009(6) notified vide S.R.O. No. 11(I)/2010 dated January 01, 2010, certain adjustments are made in K-Electric Limited (K-Electric) tariff on quarterly basis.
2. The Authority issued its decisions in the matter of K-Electric's tariff for the quarters ended December 2013, March 2014, June 2014 and September 2014 vide letters No. NEPRA/TRF-133/KESC-2009/12889-12892 dated October 17, 2014, No. NEPRA/TRF-133/KESC-2009/15467-15470 dated November 25, 2014, No. NEPRA/TRF-133/KESC-2009/2208-2211 dated February 25, 2015 and No. NEPRA/TRF-133/KESC-2009/2214-2217 dated February 25, 2015.
3. The Authority in its aforementioned decisions adjusted minus Ps. 42/ kWh on account of the claw back of a portion of profits, for the Financial Year 2011-12 and 2012-13, according to the mechanism prescribed in the Authority's determination dated December 23, 2009, and notified in the official Gazette vide S.R.O. No. 11(I)/2010 dated January 01, 2010. The Schedules of Tariff (SoTs) issued with the decisions for the quarter ended December 2013 and March 2014 were prepared after deducting therein minus Ps. 42/kWh on account of claw back amount, from all consumer categories except life line consumers. Since as per the determined and notified Claw Back Mechanism, the clawed back amount was to be shared with the consumers directly and the benefit of the same was to go to all consumers classes through their bills, therefore, the SoTs for both these quarters i.e. Oct-December 2013 and Jan-March 2014, attached with this decisions, have been grossed up by adding back minus Ps. 42/ kWh in each consumer category except life line consumers. Further, SoTs for the other two quarters i.e. April-June 2014 and July-September 2014 have already been issued on grossed up basis.
4. The decisions were intimated to the Federal Government for the purpose of notification in the official gazette pursuant to Section 31(4) of the Regulation of Generation, Transmission and Distribution of Electric Power Act (XL of 1997) and Rule 16(11) of the National Electric Power Regulatory Authority Tariff (Standards and Procedure) Rules, 1998.

*Decision of the Authority regarding Request for Reconsideration by  
Ministry of Water & Power, GoP*

5. Ministry of Water & Power (MoWP), vide its letter No.PIII-3(2)/2009 dated June 30, 2015, in supersession to its earlier correspondence on the subject, has submitted the revised SoTs while including therein the subsidy figures. MoWP has submitted that since the applicability period of the subject mentioned SoTs has already lapsed, therefore, no arrears be recovered from the consumers for the relevant period.
6. MoWP has also submitted that for the quarter July-Sep 2014, two subsidy figures have been indicated i.e. one from Oct-Dec. 2014 and one for immediate effect, of the Authority's decision. MoWP has mentioned that change in subsidy is necessitated for maintaining uniform tariff across the country and for protecting the consumer's interest. MoWP requested to incorporate in the SoTs of K-Electric, GOP's intention to pass on per unit subsidy to the categories of consumers of K-Electric as detailed in the SoTs annexed to its aforementioned letter.
7. The reconsideration request does not require any modification or revision in the NEPRA determined rates and the said request is made by the Government to the extent of incorporating in the quarterly SoTs of K-Electric, the category wise subsidy indicated by the Government.
8. In view thereof the subject request is accepted and the amount of subsidy as indicated by the Federal Government in the Annexures attached with the reconsideration request is allowed to be indicated in the already intimated SoTs, grossed up with the claw back amount of Ps. 42/ kWh as detailed in para 3 above, with the decisions/ letters of the Authority as referred in para 2 above.
9. Accordingly, the already issued SoTs of K-Electric for the quarters ended December 2013, March 2014, June 2014 and September 2014 are modified and replaced with Annexure A-I to A-IV for the quarters Oct-Dec 2013, Jan-Mar 2014, Apr-Jun 2014 and Jul-Sep 2014 respectively. The Authority also noted that K-Electric, as per Authority's quarterly decisions, was allowed to adjust the bills of pertinent consumers for recovery of their arrears in the future period. GoP, however, in its instant reconsideration request, has requested not to recover the arrears for the relevant period from the consumers, therefore, no arrears shall be recovered from the consumers and the difference shall be adjusted through Tariff Differential Subsidy (TDS).
10. To ensure future recovery of tariff from K-Electric consumers at uniform rates, GoP has indicated separate category wise subsidy figures for the quarter Jul-Sep 2014, for maintaining uniform tariff.

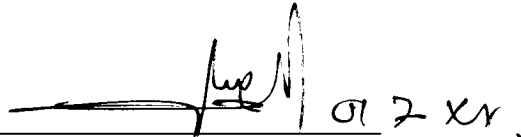

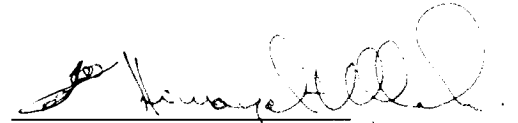

Decision of the Authority regarding Request for Reconsideration by  
Ministry of Water & Power, GoP

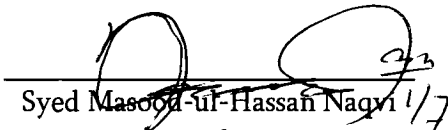

across the country and for protecting the consumer's interest. The same has been incorporated in the SoT for the quarter Jul-Sep 2014. The revised SoT is attached as Annex-A-V.

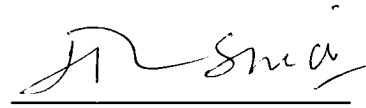

11. Moreover, the Authority hereby directs K-Electric to pass on to the consumers directly, in their monthly bills, Ps.42/kWh on account of claw back of profits for FY 2011-12 and FY 2012-13 for the period from July 2015 to June 2016, except life line consumers and submit the over recovery/under recovery of amount clawed back along-with its quarterly adjustment request for the quarter ended June 2016.
12. The revised SoTs are being intimated to the Federal Government for notification in the official gazette in terms of Section 31(4) of the Regulation of Generation, Transmission and Distribution of Electric Power Act (XL of 1997) and Rule 16(11) of the National Electric Power Regulatory Authority Tariff (Standards and Procedure) Rules, 1998.
