Dear Sir

Motion for Review – Decision of the Authority against the Determination of the Authority in the matter of Tariff Petition filed by Fatima Energy Ltd. for its 118.8 MW Cogeneration Power Plant located at Mehmood Kot, District Muzaffargarh

Fatima Energy Limited (the "FEL" or the "Petitioner") filed the cost plus tariff petition before the National Electric Power Regulatory Authority (the "NEPRA" or the "Authority") under, *inter alia*, NEPRA Tariff (Standards and Procedure) Rules 1998 (the "Tariff Rules") read with Section 7 and Section 31 of the NEPRA Regulation of Generation, Transmission and Distribution of Electric Power Act (XL of) 1997 (the "Act") for the determination of tariff for the purchase of 118.8MW from the Petitioner.

The Authority through its letter # NEPRA/TRF-338/FEL-2015/8658-8660 dated 17 June 2016 intimated that it has made its decision in the subject matter, also sent to the Federal Government's Ministry of Water & Power for the purpose of notification of the approved tariff in the official gazette (the "Impugned Decision").

Feeling aggrieved with the Impugned Decision, the Petitioner hereby submits with the learned Authority its motion for review of the Impugned Decision under, *inter alia*, Rule 16(6) of Tariff Rules (the "Motion for Review").

The Company would like to incorporate by reference the contents of subject tariff petition filed by the Petitioner and documents appended therewith and Impugned Decision etc. The Petitioner requests the learned Authority that the same may kindly be read as integral part of this Motion for Review.

Thank you and with kind regards,

For and on behalf of
Fatima Energy Limited

Fazal Ahmed Sheikh
Chief Executive Officer
