Subject: Complaint filed by Mr. Ghazanfar Iqbal Aujla against GEPCO regarding Charging of Grid Sharing Cost – CCR # GEPCO-09-2009

Reference is made to your complaint filed with NEPRA regarding the subject matter.

2. Your case has been reviewed in detail under the prevalent rules and regulations. Rules formulated by WAPDA in the subject matter (these are not in violation of any NEPRA rules/regulations) are applicable to all Ex-WAPDA DISCOs till such time NEPRA rules are formulated and notified.

3. It has been decided that:-

- (1) Grid sharing cost charged by GEPCO is covered under the rules, hence justified;
- (2) As far as land is concerned, 24 Kanal land has been transferred by you to GEPCO for construction of Grid Station through a memorandum of understanding dated June 4, 2008 with GEPCO and mutata in the name of GEPCO. Therefore, asking for return of land at this belated stage is not justified. GEPCO shall construct the grid station on this 24 Kanal of land which is sufficient enough for construction of Grid Station and shall not demand more land from you.
