SUBJECT: - **APPLICATION FOR LICENSEE PROPOSED MODIFICATION (LPM) IN THE GENERATION LICENSE OF BULLEH SHAH PACKAGING (PRIVATE) LIMITED**

The Authority has granted a Generation Licence No. SGC/151/2020, dated on November 12, 2020 for our 41 MW Biomass based Generation Facility/Co-Generation Facility/Thermal Power Plant located at 7-KM Kot Radha Kishan Road, Off 4 KM Kasur-Raiwind Road, District Kasur in the Province of Punjab.

(1). In accordance with Regulation-10 of the National Electric Power Regulatory Authority Licensing (Application, Modification, Extension and Cancellation) Procedure Regulations, 2021, we hereby communicate a Licensee Proposed Modification (LPM) in above mentioned generation licence. In this consideration of the said, we are submitting (a). Text of proposed modification; (b). Statement of reasons in support of modification; (c). A statement of the impact on the tariff, quality of service and the performance by the licensee of its obligations under the license.

(2). Further to the above, the board resolution and the required fee for processing of the LPM are also attached herewith. Accordingly, it is requested that the LPM may be processed and approved on priority so that we can embark on our plan to supply to a Bulk Power Consumer.

(A). Type of facility

Generation facility

(B). Text of proposed modification

Under the existing generation licence, we are allowed supplying to one Bulk Power Consumer (BPC) namely OmyaPack (Private) Limited. Now, we want to supply power to the tune of 3.00 MW to another BPC in the name of STARCHPACK (PRIVATE) LIMITED, located at about 01 KM from the generation facility.

(C). Statement of reasons

In order to supply to STARCHPACK (PRIVATE) LIMITED, we will be requiring an authorization from the Authority as stipulated in the Section-22 of the NEPRA Act for which a modification in the existing generation Licence is necessary. As explained above, the proposed BPC is located a distance of 01 KM from our generation facility for which an 11 KV feeder will be laid.

(D). A statement of the impact on the tariff, quality of service and the performance by the licensee of its obligations under the licence

The Licensee is allowed to charge the Power Purchaser/BPC a mutually agreed tariff. Further, there will not be any adverse impact on the quality of service and obligation of the Licensee under its Licence.
