SUB: PUBLIC NOTICE FOR SEEKING COMMENTS IN THE MATTER OF APPLICATION OF PUNJAB GRID CO. LTD. FOR GRANT OF LICENCE FOR PROVINCIAL GRID CO.

REF: Your good office letter no.R/LAT-08/(PGC)/8720-30 dated 07.04.23

Please find below the preliminary comments on subject application:-

Sr#	Section no.	Comments
1	E (A) (1)	The particular sites are not named, where Punjab Govt. is facing limitations and constraints of LESCO secondary transmission network, to evacuate power from its potential renewable and conventional projects
2	E (A) (2)	The particular areas are not mentioned, where it is alleged that due to political interference, LT network is extended un-professionally. How that matter is linked with justification of creating a transmission company?
3	E (A) 10	This statement that provincial power projects are delayed / ignored / omitted by NTDC from IGCEP may be looked into.
4	E (B)	The necessary available human resource, to execute the required jobs, is not mentioned designation wise
5	H	How exclusivity can be granted to provincial grid company?
6	General	
i		As per clause 18A of amended NEPRA Act, eligibility criteria shall be prescribed
ii		This application un-necessarily includes certain documents which are making it very lengthy and somehow incomplete in terms of adequacy
