Islamabad, the 27th March, 2025

[Signature]

SUBJECT: FEDERAL GOVERNMENT MOTION WITH RESPECT TO RECOMMENDATION OF CONSUMER END TARIFF FOR XWDISCOS AND K-ELECTRIC, UNDER SECTION 7 AND 31 OF THE REGULATION, GENERATION, TRANSMISSION AND DISTRIBUTION OF ELECTRIC POWER ACT, 1997 (THE ACT) READ WITH RULE 17 OF THE NEPR TARIFF (STANDARDS AND PROCEDURES) RULES, 1998 (THE RULES)

Please refer to the subject and to the NEPR determinations dated 11th and 13th July 2024 notified by the Federal Government via S.R.O 1039 (I)/2024 dated July 14th, 2024, read in conformity with earlier issued applicable notifications.

2. In the above-mentioned notification, the national average rate for FY 2024-25 determined by NEPR is Rs. 35.50/kWh, against which the Government notified national average tariff is Rs. 32.99/kWh (October 2024 and onwards), bridging the gap through Tariff Differential Subsidy (TDS). Further, the Government has also maintained a uniform consumer-end tariff for K-Electric through incorporation of TDS for K-Electric consumers.

3. In line with the Government's efforts to reduce consumer-end tariffs and improve demand, the Federal Government has decided to increase the tariff differential subsidy for electricity consumers for April to June FY 2025. The per-unit additional TDS for all consumers of XWDISCOs and K-Electric (except lifeline domestic), is estimated at Rs. 1.71/kWh for April – June 2025. The matter was considered and approved by the Cabinet in Case No. 112/11/2025 Dated March 26, 2025 and it was decided that the same be submitted to the Authority for consideration and approval in terms of Section 31 of the Act.

4. Once considered and approved by NEPR, the same will lead to notification by the Federal Government by modification, to the extent of the subsidy relief specified above, of existing rates notified via S.R.O 1039 (I)/2024 dated July 14th, 2024, read in conformity with earlier issued applicable notifications.

5. In light of the above, instant Motion, is being filed by the Federal Government with respect to
