Subject: **REVISION OF ANNUAL REBASING TIMLINES FOR CONSUMER-END TARIFF**

Reference: Ministry of Energy (Power Division) letter No. Tariff/XWDISCOS-2022 dt: 16-10-25

It is intimated that the Federal Cabinet has approved the revision of the annual tariff determination schedule so that the rebasing shall take effect from 1st January each year instead of 1st July. This change aims to enhance consumer affordability and ensure sectoral sustainability.

Accordingly, the timing of the annual rebasing has been shifted from the summer to the winter months, when electricity consumption is relatively lower and tariff adjustments can be better absorbed by consumers. The above decision has been endorsed by the Section Officer (Tariff), Ministry of Energy (Power Division), vide the referred letter (**copy enclosed**).

In compliance with the directions of the Ministry of Energy (Power Division), it is requested that NEPRA may kindly issue the tariff determination for the period from 1st July 2026 to 31st December 2026. This will ensure a seamless transition and facilitate the commencement of the annual rebasing with effect from 1st January 2027.

CHIEF EXECUTIVE OFFICER
HAZECO, ABBOTTABAD

CC:

1. Section Officer (Tariff), MOE (Power Division) w.r.to above referred letter.
