

No. 10571 - 73 /IESCO/CPC

Dated 23 - 10 - 2025

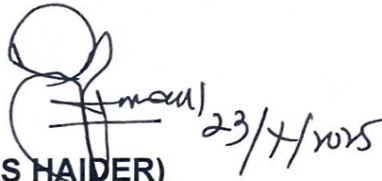

The Registrar,
National Electric Power Regulatory Authority,
NEPRA Tower, Atta Turk Avenue,
Sector G-5/1,
Islamabad.

Subject: Request for Tariff Determination in Light of Revised Annual Rebasing Timelines for Consumer-End Tariff

Dear Sir,

This is with reference to the Ministry of Energy (Power Division), Government of Pakistan's letter No: Tariff/XDISCOS-2022 dated 16/10/2025 wherein all Distribution Companies (DISCOs) have been advised to formally approach NEPRA for issuance of tariff determinations in accordance with the **revised annual rebasing timelines** for consumer-end electricity tariffs.

2. As per the said communication, the **annual rebasing process**, which was earlier aligned with the fiscal year ending on **June 30**, has now been **shifted to commence from January 1, 2026**, to enhance consumer affordability and ensure sustainable tariff adjustments aligned with electricity consumption patterns.
3. In compliance with the above direction, IESCO is submitting this formal request to kindly **initiate the process for tariff determination for the period from July 1, 2026, to December 31, 2026**, in line with the revised annual rebasing framework approved by the Federal Government and NEPRA's amended regulatory timelines.
4. IESCO shall be pleased to provide any additional financial data, supporting documentation, or clarifications required by NEPRA to facilitate the timely completion of the tariff determination process.
