Subject: BILLS ISSUED BY K-ELECTRIC LIMITED ON AVERAGE BASIS FOR THE MONTH OF MARCH 2020 HAVE BEEN DEFFERED FOR ONE MONTH ON DIRECTIONS OF NEPRA

NEPRA came to know through various complaints that K-Electric Limited had issued March 2020 electricity bills on average basis due to Corona situation, which were on much higher side. The matter was taken up by NEPRA with K-Electric Management for resolution of the issue whilst offering some relief to consumers especially in the backdrop of Corona Virus situation. In response, KE Management decided that consumers having received March 2020 electricity bills on average basis may pay their electricity bills along with the actual meter reading based bills for April 2020 without any late payment surcharge.
