System provided in Schedule-I attached to this Licence for distribution of power generated and delivered to the Consumers as per Generation Licence No SGC/014/2002, dated January 31, 2002 and Second Tier-Supply Authorization already granted to Quetta Textile Mills Limited in respect of consumers listed in Schedule-II to this Licence.

3.1.2 The Service Territory of the Licensee is limited up to three (3) meters on either side of the 11 KV Distribution Feeder as shown in Schedule-I of this Licence; and restricted to the extent of movement or delivery to Consumers as authorized in the Second Tier-Supply Authorization provided in the case of Generation Licence No. SGC/014/2002, dated January 31, 2002 granted to Quetta Textile Mills Limited in respect of consumers listed in Schedule-II to this Licence.

3.1.3 At the time of grant of this Licence, where the line part of a Distribution System owned/operated by any XW DISCO, as its existing Distribution System operating at 11 KV or less is located within three (3) meters of spatial distance on either side of the 11 KV Isolated Distribution System of the Licensee as shown in Schedule-I of this Licence, such 11 KV Distribution System of the Licensee shall be converted into an underground system in accordance with applicable IEC/IEEE standards for the area where such proximities exist.

3.1.4 The Licensee shall not alter or modify its 11 KV Isolated Distribution System arrangement, as authorized in Schedule-I of this Licence, without the prior approval of the Authority.

3.2 All disputes relating to the demarcation of the Service Territory shall be decided by the Authority.

**Article-4**  
**Licence fee**

After the grant of this Licence, the Licensee shall pay to the Authority the Licence fee, in the amount and manner and at the time set out in National Electric Power Regulatory Authority (Fees) Rules, 2002.

**Article-5**  
**Term and renewal of Licence**

The term of this Licence shall be co-terminus with the validity of Generation Licence No. SGC/014/2002, dated January 31, 2002, issued to Quetta Textile Mills Limited or up to the date on which all of the consumers mentioned in Schedule-II of this Licence stop purchasing power on a permanent basis from the Licensed SPP, whichever is earlier.

**Article-6**  
**Tariff**

6.1 The Licensee shall charge only such "use of system charges" from the Licensed SPP as approved by the Authority. The Licensee shall submit a statement of "use of system charges" to the Authority within 90 days of grant of this licence.

6.2 The Licensee shall participate in such measures as may be directed by the Authority from time to time for development of a competitive power market structure.

**Article-7**  
**Isolation of the System**

The Isolated Distribution System of the Licensee as detailed in Schedule-I shall be operated and utilized solely for the purpose of delivery of power to Consumers as authorized in the Second Tier-Supply

**Article-8**  
**Disposal of Assets**

The Licensee shall not except under a prior authorization, sell or dispose in any manner any of the tangible assets comprised in the Isolated Distribution System or any intangible assets accruing or likely to accrue to the Licensee from the distribution business.

**Article-9**  
**Compliance with Performance Standards and Distribution Code**

The Licensee shall conform to the Performance Standards and Distribution Code as prescribed by the Authority for distribution companies to the extent applicable.

**Article-10**  
**Compliance with Safety Standards**

10.1 The Licensee shall conform to the relevant Safety Standards as prescribed by the Authority from time to time including safety standards mentioned in the performance standards for the distribution companies prescribed by the Authority. In case, no such standards are prescribed, the Licensee shall comply with relevant IEEE/IEC Standards.

10.2 All disputes relating to the safety concerns shall be decided by the Authority.

**Article-11**  
**Compliance with Environmental Standards**

The Licensee shall conform to the Environmental Standards as may be prescribed by the relevant competent authority.

**Article-12**  
**Accounting practice**

The Licensee shall maintain separate accounts for its Isolated Distribution Business.

**Article-13**  
**Maintenance of record**

13.1 The Licensee shall keep and maintain complete and accurate record and the date in respect of all aspects of its distribution business in their original form. Three years after the issuance of this Licence, the Licensee shall start maintaining the above mentioned record in electronic form as well.

13.2 Without prejudice to the provisions of the Article 13.3, unless provided otherwise under the law or the applicable documents, all record and data shall be maintained for a period of five year after the creation of such record or data. The Licensee shall not destroy or dispose off any such record or data after the aforesaid period without thirty days prior written notice to the Authority. The Licensee shall not dispose off or destroy any record or data which the Authority directs the Licensee to preserve.

13.3 All record and data maintained in an electronic form shall, subject to just claims of confidentiality, be accessible by staff authorized by the Authority.

**Article-14**  
**Provision of information**

14.1 The obligation of the Licensee to provide information to the Authority shall be in accordance with Section 44 of the Act.
