**DECISION OF THE AUTHORITY IN THE MATTER OF FUEL CHARGES ADJUSTMENT FOR THE MONTH OF AUGUST 2010 FOR XWDISCOs**

1. Pursuant to the provisions of Section 31(4) of the Regulation of Generation, Transmission and Distribution of Electric Power Act 1997, (XL of 1997) and as per mechanism for monthly fuel price adjustment prescribed by NEPRA in the 1st quarterly tariff determination for the Ex-WAPDA Distribution Companies duly notified in the official Gazette, the Authority has to review the fuel charges on monthly basis in the approved tariff on account of any variation whatsoever.
2. In order to carry out the above-said adjustment pertaining to the tariff of XWDISCOs for the month of August 2010, necessary information as to the details of fuel charges was obtained from the Central Power Purchasing Agency (CPPA).
3. Notwithstanding the fact that the monthly adjustments on account of fuel charges variations are made in accordance with the mechanism/formula prescribed by the Authority and notified in the official gazette by the Federal Government; yet the impact of such adjustments, if any, is passed on to the consumers of electricity, therefore, in order to meet with the ends of natural justice, the Authority decided to provide an opportunity of hearing to all concerned while reviewing the fuel charges.
4. A date of hearing for the aforesaid purpose was fixed as 23<sup>rd</sup> September 2010 in the NEPRA main office; notice thereof was published in two leading national newspapers on 18<sup>th</sup> September 2010 inviting comments/objections from the concerned persons.
5. On the date fixed for hearing, representatives from Central Power Purchasing Agency (CPPA) and Wapda Private Power Organization (WPPO) were present, however, no representative from Ministry of Water & Power and Ministry of Finance attended the public hearing despite the service of notice. No written objection or comments were received regarding the proposed adjustments from any quarter. Further there was also no representation from the general public/consumers of electricity.
6. From the careful perusal of the information so provided by CPPA, it has been observed that the actual pool fuel charges of Rs. 3.77/kWh for the month of August 2010 decreased by Rs. 0.24/kWh (Annex-I&II) as compared to the reference fuel charges, i.e. Rs. 4.01/KWh as indicated in the Annexure-IV of the Authority's determination pertaining to the 1st Quarter of FY-2009-10.
7. The Authority noted that the supplemental charges under PPAs included an amount of Rs. 759 million on account of markup on delayed payment to IPPs. The Authority in its earlier decisions disallowed this cost for the reason that the consumers who pay their bills in time cannot be burdened with the markup on delayed payment to IPPs. Accordingly, the Authority in line with its previous decisions has decided to disallow the markup cost of Rs. 759 million to be passed on to the consumers. In this regard the impact of markup cost of Rs. 0.085/kWh is disallowed accordingly.

8. The Authority has, therefore, reviewed and assessed a decrease of Rs. 0.33/kWh towards fuel charges adjustment for the month of August 2010 as per the following:

Actual Fuel Charges Component for August 2010	Rs. 3.68/kWh
Corresponding Reference Fuel Charges Component (Determined)	Rs. 4.01/kWh
Fuel Charges Variation for the month of August 2010	(-) Rs. 0.33/kWh

9. The reviewed fuel adjustment charges of (-) Rs.0.33/kWh for the month of August 2010 is lower by Rs. 0.59/kWh than the adjustment of Rs. 0.26/kWh for the month of July 2010; therefore, effectively there will be a decrease of Rs. 0.59/kWh in the bill of the consumers on account of fuel adjustment charges as compared to the month of July 2010.
10. In the light of the observations made in paragraph 7 above, the Authority hereby directs CPPA to revise accordingly the fuel charges component invoiced to the distribution companies.
11. The above adjustment as referred to in Para 8 above ;
- shall be applicable to all the consumer categories except lifeline consumers of all the DISCOs;
  - shall be shown separately in the consumers' bill on the basis of units billed to the consumer in the month of August 2010.
