No. NEPRA/TRF-100/11280-11282

October 11, 2013

**Subject: Decision of the Authority regarding Request for Reconsideration of Tariff Determinations Pertaining to the Ex-WAPDA Distribution Companies for the Financial Year 2012-13 under Section 31(4) of NEPRA Act 1997**

*Reference: Ministry of Water & Power letters No. PI-4(18)/12 dated 04.10.2013 and No. PI-4(18)/2012 dated 08.10.2013.*

Dear Sir,

In continuation to NEPRA's Determinations pertaining to the Ex-WAPDA Distribution Companies for the FY 2012-13, enclosed please find herewith decision of the Authority (30 pages) in the matter of request for reconsideration made by Ministry of Water & Power for tariff determinations pertaining to the Ex-WAPDA Distribution Companies for the Financial Year 2012-13 under Section 31(4) of NEPRA Act.

2. The decision is being intimated to the Federal Government for the purpose of notification of the approved tariff in the official Gazette pursuant to Section 31 (4) of the Regulation of Generation, Transmission and Distribution of Electric Power Act (XL of 1997) and Rule 16(11) of the National Electric Power Regulatory Authority Tariff (Standards and Procedure) Rules, 1998.

Enclosure: As above

( Syed Safeer Hussain )

Secretary  
Ministry of Water & Power,  
'A' Block, Pak Secretariats  
Islamabad

CC: 1. Secretary, Cabinet Division, Cabinet Secretariat, Islamabad.  
2. Secretary, Ministry of Finance, Islamabad.

**DECISION OF THE AUTHORITY REGARDING REQUEST FOR RECONSIDERATION OF TARIFF DETERMINATIONS PERTAINING TO THE EX-WAPDA DISTRIBUTION COMPANIES FOR THE FINANCIAL YEAR 2012-13 UNDER SECTION 31(4) OF NEPRA ACT 1997**

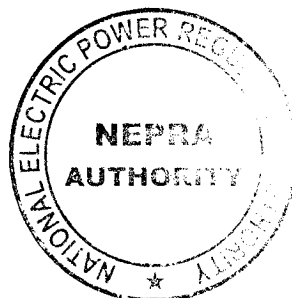

NEPRA is a regulatory Authority established under section 3 of the Regulation of Generation, Transmission and Distribution of Electric Power Act, 1997 (hereinafter referred as NEPRA Act). As per mandate of NEPRA, it inter-alia determines the tariffs for different Distribution Companies and intimate the same to the Federal Government for notification in the official Gazette in terms of section 31(4) of the NEPRA Act.

2. The tariff for the Distribution Companies pertaining to the FY 2012-13 was determined in accordance with the procedure provided under NEPRA Tariff (Standards & Procedure) Rules, 1998 and the same was intimated to the Government of Pakistan under Section 31(4) of the NEPRA Act 1997 for notification in the official gazette. Said tariff was notified by the Federal Government in the official gazette on 5<sup>th</sup> August 2013. The tariffs for different Distribution companies are determined by NEPRA in accordance with their revenue requirements and based upon efficiency benchmarks; thus the same varies from DISCO to DISCO, however, as a matter of Policy and prevailing practice, Government used to apply uniform tariff across the country. While exercising this option, Government of Pakistan picked up the tariff of the most efficient Distribution Company having minimum rates which were made applicable for other Distribution Companies as well. NEPRA's determined rates were being notified in the form of Schedule-I, whereas, the applicable rates were also notified by the Government as Schedule-II, which were comparatively lower than the applicable rates of Schedule-I. The differences between the two Schedules were picked up by the Government of Pakistan in the form of subsidy which is paid to the respective Distribution Company by the government directly.

3. HRC cases bearing No. 14392/2013 and 709/2009 pertaining to "load shedding" and "increase in electricity rates" are being adjudicated upon by the Honorable Supreme Court of Pakistan. During the hearing of those cases, the Government of Pakistan had revised the Schedule II already issued on 5<sup>th</sup> August 2013 vide notification on 30<sup>th</sup> September 2013 whereby the amount of subsidy was revised for certain consumer categories. As a result of revision, the rates of electricity notified as Schedule-II on 5<sup>th</sup> August 2013 were enhanced compared to the Schedule-II notified on 5<sup>th</sup> August 2013.

4. Vice Chairman NEPRA, when appeared before the Court, was questioned as to the recommendations of NEPRA, if any, for the issuance of notification in question by the Government of Pakistan. Section 31(4) of the NEPRA Act was referred by the Honorable Court whereby any notification by the Government is to be issued upon intimation by NEPRA. As no such fresh intimations were made by NEPRA, therefore, the question was answered accordingly. The Honorable Court then questioned the powers of the Federal Government to issue any notification under Section 31(4) of NEPRA Act; contrary to the recommendation of the NEPRA. It was explained by the learned Attorney General of Pakistan that the NEPRA rates are different for different distribution companies

*[Handwritten signatures and initials]*

*[Handwritten signature]*

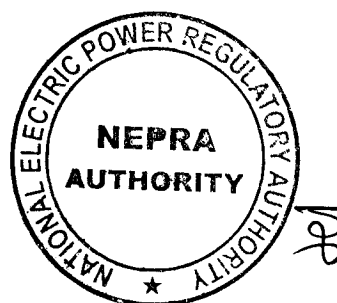

for the same consumers' categories however as per policy of the Government uniform rates of electricity are to be applied across the country therefore GOP adopted the tariff of most efficient distribution company having minimum determined rates for applying to all the other consumers of the Distribution Companies. The difference between NEPRA's determined rates qua be applicable rates is picked up by the GOP in the form of subsidy. It was further explained that through notification dated 30<sup>th</sup> September 2013 no increase over and above the NEPRA's determined rate was made instead the amount of subsidy for a certain consumer categories was reduced. It was however conceded by the Attorney General of Pakistan before the court that any notification by the GOP of Pakistan under Section 31(4) could be made upon the intimation of NEPRA. It was also conceded before the Honorable Court that the notification dated 30<sup>th</sup> September 2013 will be recalled and a re-consideration request under first proviso of Section 31(4) of NEPRA Act would be made before NEPRA for amending the notification after incorporating the amount of subsidy proposed by the GOP.

5. As per its commitment before the Honorable Supreme Court the Federal Government has withdrawn the notification dated 30<sup>th</sup> September 2013 and a re-consideration request under section 31(4) of the NEPRA Act has been filed vide No. PI-4(18)/2012, dated October 8, 2013. As per said request it has been desired that in the Schedule of Tariff determined by NEPRA the amount of subsidy be incorporated in accordance with sub-rule (3) (x) of Rule 17 of Tariff Standards and Procedure Rules 1998, as per the attached Annexes A and B along with NEPRA determined rates for different distribution companies.

6. The matter has been gone through. As per section 31(4) of the NEPRA Act, notification of the Authority's approved tariff, rates, charges, and other terms and conditions for the supply of electric power services by the generation, transmission and distribution companies is to be made, in the official gazette by the Government of Pakistan, however, the Federal Government may require the Authority to re-consider its determination within 15 days of such intimation; whereupon the Authority has to determine the same anew within 15 days.

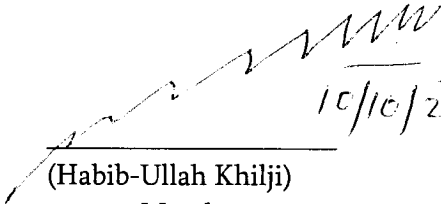

7. In the case in hand, neither any modification or revision in the NEPRA's already determined rates and tariffs is proposed nor any component thereof is sought to be modified or changed. Since the reconsideration request does not require any modification or revision in the NEPRA determined rates and the said request is made by the Government to the extent of making the procedure for notification of the NEPRA determined/approved rates in line with the provision of NEPRA Act and Rules made there under, therefore, the Authority considers that the same merits consideration. The reconsideration request of the GoP though is barred by time but keeping in view the observations of the Honorable Supreme Court of Pakistan and statement recorded by the Federal Government, the procedure for the notification has to be brought in line with the provision of NEPRA Act and rules made there under; therefore, the subject request is accepted and the amount of subsidy as indicated by the Federal Government in the Annexes-A & B attached with the reconsideration request has been mentioned against the corresponding column of NEPRA's already

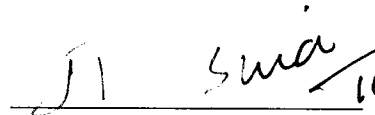

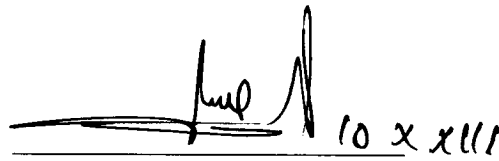

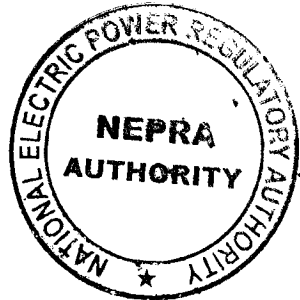

approved tariff and the same is being intimated to the Federal Government for notification in the official gazette in terms of Section 31(4) of NEPRA Act.
