**DECISION OF THE AUTHORITY IN THE MATTER OF QUARTERLY INDEXATION/ADJUSTMENT OFF THE TARIFF OF 720MW KAROT POWER COMPANY (PVT.) LTD.**

Pursuant to the stipulated mechanism in the tariff determination of the Authority dated February 24, 2016, in the matter of the petition filed by Karot Power Company Pvt. Ltd (KPCL) for the determination of EPC Stage Generation Tariff in respect of the 720-MW Karot Hydropower Project, decision of the Authority dated April 27, 2016, in the matter of Motion for Leave for Review, the decision of the Authority dated March 10, 2021, regarding the change of base year from 2007-2008 to 2015-16 for the Consumer Price Index (CPI) and the decisions of the Authority dated December 05, 2024 and December 13, 2024 regarding the transition from London Interbank Offered Rate (LIBOR) to Secured Overnight Financing Rate (SOFR) with effect from July 01, 2023 for generation IPPs which is notified vide SRO 73(1)12025 dated January 28, 2025 in the official Gazette, the tariff components of KPCL are required to be indexed/adjusted.

2. According to KPCL, it achieved Commercial Operations Date (COD) on June 29, 2022, and submitted its request for a 'One Time Adjustment of Tariff at COD' on September 30, 2022 which is under process. Subsequently, KPCL, vide letter dated October 25, 2022, also submitted a request for interim indexations on tariff components computed on a reduced project cost of USD 1,562 million instead of the approved USD 1,698 million, on account of applicable variations in exchange rate, LIBOR, US CPI, and Local CPI for the period from COD till October-December 2022. Based on the reduced project cost, the relevant tariff components were revised and accordingly, the Authority, vide decision dated February 09, 2023, approved the interim indexation from COD till December 2022, subject to adjustment in light of the COD decision of the Authority. Similarly the indexation requests for the subsequent periods upto December 2023 were also provisionally approved.

3. However, KPCL was required to submit the Audit report with its COD true-up petition in compliance to Authority's letter dated November 17, 2022. Due to non-compliance with the Authority's direction, the Authority restricted the indexation of ROE & ROEDC components on revised reference from Jan 2024 to Dec 2024. However, after the KPCL's compliance with the Authority's direction, indexation on all the tariff components were allowed from January 2025 onwards. KPCL's has now requested interim indexation for the January - March 2026 period.

4. Thus the Authority in its collective and joint wisdom considering all aspects decided with consensus as under; which will be hereafter called as decision of the Authority in the matter:

*"Allowed interim indexation of tariff components for the period of January - March 2026 quarter provisionally on account of exchange rate variation, N-CPI local, US CPI and SOFR.*

5. The indexation allowed shall be subject to adjustment in the light of the final decision of the Authority w.r.t KPCL's COD tariff adjustment.

6. The revised tariff components attached as Annex-I are to be notified in the official gazette, in accordance with the provision of Section 31(7) of the Regulation of Generation, Transmission and Distribution of Electric Power Act 1997.

7. CPPA (G) to ensure that all payments are consistent with tariff determination(s).
