**DECISION OF THE AUTHORITY IN THE MATTER OF REVISION IN THE  
PREVIOUS APPROVED FUEL COST COMPONENTS FOR THE MONTHS OF  
APRIL TO JUNE 2025 FOR THAR ENERGY LIMITED (TEL)**

1. Pursuant to the decision of the Authority dated October 18, 2016, in the matter of approval of Thar Coal Upfront Tariff for 330 MW Coal Power Plant of Thar Energy Limited (TEL), the variable and fixed fuel cost components are subject to adjustment on the basis of coal price determined by Thar Coal Energy Board (TCEB) and notified in the Official Gazette.
2. The Authority through its various decisions, has determined fixed and variable Fuel Cost Components (FCCs) for each month from April to June 2025 on the basis of applicable reference mine COD of Phase-II of Block-II tariff, determined by TCEB and invoiced by its fuel supplier i.e. Sindh Engro Coal Mining Company (SECMC) to TEL. These FCCs' decisions are required to be revised on the basis of quarterly indexed/adjusted mine tariffs determined by TCEB for April-June 2025 quarter. TCEB issued its decisions on quarterly indexed/adjusted mine tariff through Order dated August 8, 2025 and notified in the Government of Sindh's Official Gazette on September 15, 2025.
3. TEL on October 29, 2025 and December 2, 2025 submitted request for the revision of FCCs for period from April to June 2025, based on TCEB's quarterly indexation decision for April-June 2025 quarter of Phase-II of Thar Coalfield Block-II. This request was made after TEL received requisite invoice from its coal supplier on September 25, 2025. Additionally, TEL sought approval of Rs. 199,617,525/- (for April-June 2025) as pass-through for duties and taxes incurred and invoiced by SECMC.
4. The Authority has considered the submissions of TEL. It has been noted that the request for pass-through of duties and taxes is without any verification and approval of TCEB and cannot be considered. Therefore, TEL is directed to ask its fuel supplier to get it verified and approved from TCEB and submit revised request along with TCEB decision(s) in the matter and documentary evidence for consideration of the Authority. Based on the above decision of the Authority, the requested duties and taxes amount of Rs. 199,617,525/- has been set aside.
5. Based on TEL's submissions, documentary evidences and above discussions, the Authority in its collective and joint wisdom considering all aspects decided with consensus as under; which shall be hereafter called as decision of the Authority in the matter:-

“The previously approved variable and fixed fuel cost components of energy charge part of TEL’s tariff for the months of April to June 2025 are being revised on the basis of TCEB’s quarterly indexation/adjustment decision for April-June 2025 quarter, as notified in Official Gazette, excluding taxes and duties of Rs. 199,617,525/-. TEL is directed to ask its fuel supplier i.e. SECMC to get the exact amount of taxes and duties verified and approved from TCEB. On the basis of approval and verification by TCEB, SECMC shall invoice the same to TEL who will submit the same along with documentary evidence for consideration of the Authority.”

6. The revised energy charge part of TEL’s tariff relating to fuel indicated at Annex-1 to Annex-3 shall be immediately applicable.
7. This decision along with **Annex-1** to **Annex-3** are to be notified in the official Gazette in accordance with Section 31(7) of the Regulation of Generation, Transmission and Distribution of Electric Power Act, 1997.
8. CPPA(G) to ensure that all payments are consistent with tariff determination(s).
