National Electric Power Regulatory Authority

NOTIFICATION

Islamabad, the 30th day of June, 2025

S.R.O. 1246 (I)/2025.- In pursuance of Proviso-iv of Sub-Section 7 of Section 31 of the Regulation of Generation, Transmission and Distribution of Electric Power Act, 1997 (XL of 1997), NEPRA hereby notifies the Decision of the Authority dated June 26, 2025 along with **Annex-I, Annex-II, Annex-III, Annex-IV & Annex-V** in the matter of fuel price adjustment for the month of **May 2025** for Huaneng Shandong Ruyi (Pakistan) Energy (Private) Limited in Case No. NEPRA/TRF-308/HSRPEL-2015.

2. While effecting the Decision, the concerned entities including Central Power Purchasing Agency Guarantee Limited (CPPAGL) shall keep in view and strictly comply with the orders of the courts notwithstanding this Decision.

(Wasim Anwar Bhinder)
Registrar

**DECISION OF THE AUTHORITY IN THE MATTER OF FUEL PRICE
ADJUSTMENT FOR THE MONTH OF MAY 2025 FOR HUANENG
SHANDONG RUYI (PAKISTAN) ENERGY PRIVATE LIMITED**

1. Pursuant to the Authority's decision dated March 31, 2015 in the matter of Approval of Upfront Coal Tariff for 2x660 MW coal power plant of Huaneng Shandong Ruyi (Pakistan) Energy Private Limited (HSRPEL), decision dated September 23, 2016 regarding Suo Moto Review Proceedings in the Fuel Price Adjustment Mechanism, decision dated February 15, 2018 regarding inland freight charges, decision dated January 17, 2019 in the matter of tariff adjustment at Commercial Operation Date (COD) of HSRPEL and decisions dated August 22, 2019 & May 6, 2021 in the matter of motion for leave for review regarding fuel price adjustments, the fuel portion of the energy charge part of HSRPEL's tariff has been adjusted for variation in coal price(s). HSRPEL requested weighted average coal price of Rs. 44,879/Ton for coal consumed during the month of May 2025. HSRPEL requested fuel cost component of Rs. 17.2213/kWh for May 2025.
2. The Marine freight has been worked out on the basis of 42,300 tons and 50,000 tons or actual ship quantity whichever is higher for ships unloaded at PQA Marginal Wharf 3 & 4 and PIBTL respectively and on the basis of provided documentary evidences, PDA charges have also been worked out on the basis of respective quantities. Further, Shipments No. Awan LT 2-3 was procured from Mozambique and PDA charges of the subject shipment have been benchmarked on the basis of South African coal import.
3. The Authority in its collective and joint wisdom considering all aspect decided with consensus as under; which will be hereafter called as decision of the Authority in the matter:

"Based on the documentary evidence and information submitted by HSRPEL, the fuel cost component of energy charge part of HSRPEL's tariff is adjusted for variation in coal price for the month of May 2025."

4. The revised FCC of energy charge part of HSRPEL's tariff indicated hereunder shall be immediately applicable to the units delivered during the month:

Period	Reference Fuel Cost Component Rs./kWh	Revised Fuel Cost Component Rs./kWh
May 2025	4.9135	16.2857

5. HSRPEL signed Coal Supply Agreements (CSAs) with Awan Trading Company (Pvt) Limited and Wah Industries Limited on December 03, 2024 and December 21, 2024,

respectively. The term of both contracts is 1 year. HSRPEL has agreed a discount of US\$ 2.51/Ton and US\$ 0.65/Ton on API-4 price with Awan Trading and Wah Industries, respectively. HSR has informed that each Purchase Order shall initially be awarded to the supplier with the highest discount. Remaining quantities, if any, shall only be allocated to the next-ranked supplier in the event that the primary supplier reaches full capacity or declines partial/full acceptance of the order. Subsequently, HSRPEL informed that w.e.f. April 2025 as a result of refusal from the principal supplier, some orders were placed with Wah Industries out of which 5 ships have been received and a few are in transit. Accordingly, the Authority has decided to approve the price of coal shipments already received or in-transit with the terms of existing CSAs subject to documentary evidence till the date of issuance of instant decision. For future procurements, a floor discount of US\$ 2.51/ton shall be applicable to both suppliers and difference, if any, shall be borne by HSRPEL.

6. The above referred revised fuel cost component along with revised coal prices, marine freight and inland freight charges attached as **Annex-I, Annex-II, Annex-III, Annex-IV & Annex-V**, respectively, are to be notified in the official gazette, in accordance with the provisions of Section 31(7) of the Regulation of Generation, Transmission and Distribution of Electric Power Act 1997.

7. CPPA (G) to ensure that all payments are consistent with the tariff determination(s).
