National Electric Power Regulatory Authority

NOTIFICATION

Islamabad, the 08th day of October 2026

S.R.O. 1807(I)/2026.- In pursuance of proviso (iv) of sub-section 7 of section 31 of the Regulation of Generation, Transmission and Distribution of Electric Power Act, 1997 (XL of 1997), NEPRA hereby notifies the Decision of the Authority dated October 02, 2026 along-with **Annex-I** to **Annex-XI** in the matter of fuel price adjustment for the months of **May, June and July 2026** of Jamshoro Power Company Limited in Case No. NEPRA/TRF-599/JPCL-2023.

2. While effecting the Decision, the concerned entities including Central Power Purchasing Agency Guarantee Limited shall keep in view and strictly comply with the orders of the courts notwithstanding this Decision.

(Wasim Anwar Bhinder)
Registrar

**DECISION OF THE AUTHORITY IN THE MATTER OF FUEL PRICE ADJUSTMENT
FOR THE MONTHS OF MAY, JUNE & JULY 2026 OF JAMSHORO POWER COMPANY
LIMITED.**

1. Pursuant to the decision of the Authority dated September 13, 2024 in the matter of interim tariff for EPC stage requested by Jamshoro Power Company Limited (JPCL), the fuel portion of the energy charge part of JPCL's tariff needs to be adjusted for variation in coal price. JPCL vide letters dated July, 01, 2026, July 02, 2026 and August 04, 2026 filed monthly fuel price adjustment requests for the month of May, June and July 2026. JPCL requested weighted average coal price of Rs. 45,971/Ton, Rs. 44,675/Ton and Rs. 37,724/Ton for the coal consumed during the months of May, June and July 2026, respectively. JPCL requested fuel cost component of Rs. 14.9894/kWh, Rs. 16.0933/kWh and Rs. 15.5644/kWh for the months of May, June and July 2026, respectively.
2. JPCL did not provide any supporting information (bidding details, invoices, NCV report, etc) along with the FPA requests. The required information was provided vide emails, the latest of which was received on September 18, 2026. It was noted that the delivered price and NCV claimed in the FPA requests were not in accordance with the prices provided in the invoices of the coal suppliers. Accordingly, JPCL vide email dated September 15, 2026, submitted revised FPA requests for the months of May, June, and July 2026. As per the revised requests, JPCL requested weighted average coal price of Rs. 46,124/Ton, Rs. 44,969/Ton and Rs. 37,722/Ton for the coal consumed during the months of May, June and July 2026, respectively. JPCL requested fuel cost component of Rs. 15.0393/kWh, Rs. 16.1933/kWh and Rs. 15.5830/kWh for the months of May, June and July 2026, respectively.
3. In the instant FPA requests, JPCL claimed price of local spot coal procured through bidding under RFQ No. 3, RFQ No. 4, RFQ No. 5 and RFQ No. 6. Para xv of the Guidelines for Procurement of Coal on Spot basis specifies mechanism for computation of benchmark / ceiling price. The requested price of local spot coal was higher than the benchmark / ceiling price computed as per the Guidelines. Accordingly, the price of local spot coal is capped at the benchmark / ceiling price. The detailed calculation of benchmark / ceiling price, marine freight and inland freight of each RFQ is attached as Annex-VI to Annex XI.
4. The Authority in its collective and joint wisdom considering all aspects decided with consensus as under which shall be hereafter called as decision of the Authority in the matter:

“Based on the documentary evidence and information submitted by JPCL, the fuel cost component of energy charge part of JPCL's tariff is adjusted for variation in coal price for the months of May, June and July 2026.”

Am 989

5. The revised fuel cost components are indicated hereunder:

Period	Reference Fuel Cost Component Rs. /kWh	Revised Fuel Cost Component Rs. /kWh
May 2026	13.4155	13.2076
June 2026		14.8289
July 2026		15.1816

6. The revised fuel cost components along with details of spot coal price, Thar coal price, benchmark delivered coal price, benchmark marine freight and benchmark inland freight attached as Annex-I to Annex-XI are to be notified in the official gazette, in accordance with the provisions of Section 31(7) of the Regulation of Generation, Transmission and Distribution of Electric Power Act 1997.
7. CPPA (G) to ensure that all payments are consistent with the tariff determination(s).
